A notice of hearing from the Urban Affairs Committee, Mr. President. That's all that I have at this time. (Legislative Journal pages 323-328.)

SPEAKER BROMM: The call is raised. The next item on the bill, Mr. Clerk.

CLERK: Mr. President, I do have an amendment to the bill; however, I have a priority motion. Senator Chambers would move to return...recommit the bill to the Natural Resources Committee.

SPEAKER BROMM: Senator Chambers, to open on your motion.

SENATOR CHAMBERS: Yes. Mr. President, members of the Legislature, the other day I had offered to Senator Stuhr a proposition of raising every one of these fees by 20 percent, and that was rejected out of hand. I said, raise the floor by 20 percent, raise the cap by 20 percent. It was rejected out of hand. Game and Parks is now considering a little bit of reasonableness, let me change that, a little less unreasonableness, but they don't mind the Legislature taking time, and I don't mind the Legislature taking the time. I don't mind taking it. I'm looking at the entire session. I'm looking at all of these fee bills. And remember, that is not even the mainline budget bill. I've been told there's money in that budget to give some prizes at state fairs. If that's true, what kind of nonsense is that? It's nonsense from my point of view.
